VITASTRONG.

THE COMPANY

Founded in 2020, Vitastrong was born from a passion for sports and the goal of creating highly effective nutritional supplements. Our products, developed according to the most advanced scientific research, are designed to meet the real needs of athletes, from beginners to professionals.

Our mission is to provide quality tools to help athletes achieve their goals and overcome their limits. A constant commitment to research and development allows us to offer innovative solutions for well-being and sports performance.

Vitastrong is committed to promoting a healthy and active lifestyle, supporting athletes at every stage of their journey. Core values such as transparency, quality and safety guide every business decision, contributing to our rapid growth in the nutritional supplement industry.

RIMINIWELLNESS
THE WELLNESS EXPERIENCE SHOW

VITASTRONG.

QUALITY

The Vitastrong range is designed to meet the needs of athletes of all levels, thanks to formulations based on rigorous scientific research and selected and certified ingredients. Production takes place in cutting-edge laboratories, with advanced technologies that guarantee precision, purity and efficacy. Each phase, from the sourcing of raw materials to packaging, is subjected to strict quality controls.

Our supplements, notified to the main European Ministries of Health, can be marketed throughout Europe thanks to the principle of mutual recognition. Free from doping substances, gluten and lactose free since May 2023, the products are packaged with vegetable capsules with three levels of safety, guaranteeing high standards of safety and reliability.

We also offer excellent multilingual customer service, ready to respond to every need and provide personalized support. With over 2.000 positive reviews and an average of 4.9 stars on Trustpilot, Vitastrong stands out for the quality of its products and the attention dedicated to its customers

VITA**STRONG.**

CERTIFICATIONS

We use only selected and certified high-quality raw materials, sourced from reliable and rigorously controlled suppliers. Each ingredient is chosen for its effectiveness, purity and safety, and is subjected to a series of in-depth checks before being used in the formulations.

VITA STRONG ENERGY
NOVELTY 2025

VITASTRONG.

VITASTRONG ENERGY

VITASTRONG ENERGY

Food supplement in can, designed to enhance resistance, improve concentration and support physical performance in any situation. Its formula combines key ingredients such as L-Citrulline, which promotes vasodilation and the transport of nutrients to the muscles, and Beta-alanine, which helps delay the onset of muscle fatigue during the most intense workouts. The presence of Taurine and Caffeine guarantees immediate energy and mental focus, while Panax notoginseng acts as an adaptogen to reduce stress and improve recovery. Vitamin B12, essential for energy metabolism and the reduction of tiredness, completes the formulation.

PURE HYDRO PROTEIN

HYDROLYZED PROTEINS - OPTIPEP 90® DH4 INSTANT

Supplement designed to provide essential nutritional support thanks to the high quality of Optipep® 90 DH4 Instant hydrolyzed whey proteins, from cows fed exclusively with grass (grass-fed) and quality flavors. Thanks to the hydrolysis process, these proteins are easily digestible and rapidly absorbed, helping to optimize muscle recovery and stimulate protein synthesis. The formula is enriched with Digezyme®, an enzyme complex that improves the digestion of proteins, carbohydrates and fats, promoting the assimilation of nutrients and reducing gastrointestinal disorders. Ideal for athletes, athletes and anyone who wants to improve physical performance, it supports muscle growth and post-workout recovery.
