THE COMPANY

Founded in 2020, Vitastrong was born from a passion for sports and the goal of creating highly effective nutritional supplements. Our products, developed according to the most advanced scientific research, are designed to meet the real needs of athletes, from beginners to professionals.

Our mission is to provide quality tools to help athletes achieve their goals and overcome their limits. A constant commitment to research and development allows us to offer innovative solutions for well-being and sports performance.

Vitastrong is committed to promoting a healthy and active lifestyle, supporting athletes at every stage of their journey. Core values such as transparency, quality and safety guide every business decision, contributing to our rapid growth in the nutritional supplement industry.

RIMINIWELLNESS
THE WELLNESS EXPERIENCE SHOW

QUALITY

The Vitastrong range is designed to meet the needs of athletes of all levels, thanks to formulations based on rigorous scientific research and selected and certified ingredients. Production takes place in cutting-edge laboratories, with advanced technologies that guarantee precision, purity and efficacy. Each phase, from the sourcing of raw materials to packaging, is subjected to strict quality controls.

Our supplements, notified to the main European Ministries of Health, can be marketed throughout Europe thanks to the principle of mutual recognition. Free from doping substances, gluten and lactose free since May 2023, the products are packaged with vegetable capsules with three levels of safety, guaranteeing high standards of safety and reliability.

We also offer excellent multilingual customer service, ready to respond to every need and provide personalized support. With over 2.000 positive reviews and an average of 4.9 stars on Trustpilot, Vitastrong stands out for the quality of its products and the attention dedicated to its customers

CERTIFICATIONS

We use only selected and certified high-quality raw materials, sourced from reliable and rigorously controlled suppliers. Each ingredient is chosen for its effectiveness, purity and safety, and is subjected to a series of in-depth checks before being used in the formulations.

rastrong energy

VITASTRONG ENERGY

Food supplement in can, designed to enhance resistance, improve concentration and support physical performance in any situation. Its formula combines key ingredients such as L-Citrulline, which promotes vasodilation and the transport of nutrients to the muscles, and Beta-alanine, which helps delay the onset of muscle fatigue during the most intense workouts. The presence of Taurine and Caffeine guarantees immediate energy and mental focus, while Panax notoginseng acts as an adaptogen to reduce stress and improve recovery. Vitamin B12, essential for energy metabolism and the reduction of tiredness, completes the formulation.

Average Values	for 330ml	% NRV
L-citrulline	2000 mg	*
Beta-alanine	1500 mg	*
Taurine	600 mg	*
Caffeine	200 mg	*
Panaxnotoginseng	50 mg	*
Vitamin B12	250 mcg	10.000%

Ingredients: Water, acidifier: citric acid; L-Citrulline, carbon dioxide, Beta-alanine, Taurine, flavourings, preservatives: potassium sorbate, sodium benzoate; sweeteners: sucralose, acesulfame K; Caffeine, Panax notoginseng (Burkill) FH Chen, root dry extract, colouring: riboflavin; Cyanocobalamin.

PRE-WORKOUT

PRE-WORKOUT

High-dose supplement designed to optimize energy, endurance and concentration during the most intense workouts. Its balanced formula includes L-Citrulline, which improves vasodilation and muscle oxygenation, and Beta Alanine, ideal for delaying muscle fatigue and supporting long-lasting performance. The addition of Astragalus supports the immune system, while Caffeine and Taurine provide immediate energy and mental focus. Panax notoginseng acts as a natural tonic to improve physical endurance, and Vitamin B12 completes the formula by contributing to energy metabolism and the reduction of fatigue.

ADVANCED HYDRATION AND ENERGY

Powder supplement designed to provide complete hydration, prolonged energy, and effective support during times of physical or mental stress. Its advanced formula combines 5 essential minerals with 5 high-potency vitamins, enriched with titrated Rhodiola rosea extract, a well-known adaptogen that improves stress resistance. The high dose of Vitamin C supports the immune system and helps reduce fatigue, while the mineral blend quickly replenishes electrolytes lost through sweating. It dissolves quickly in water, with a refreshing orange flavor. Ideal for athletes, workers in hot environments, or anyone needing to stay energized, focused, and hydrated throughout demanding days.

VITASTRONG.

MAGNESIUM E POTASSIUM

MAGNESIUM AND POTASSIUM IN STICKS + VITAMINS

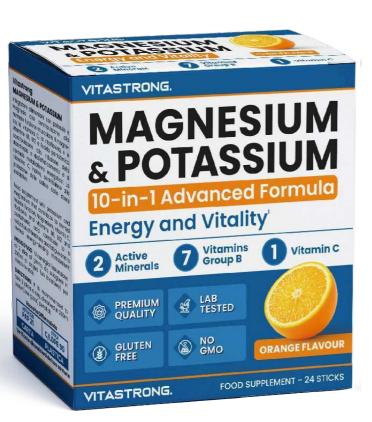

Practical and complete stick supplement designed to support energy, hydration and well-being throughout the day. Contains Magnesium and Potassium from highly bioavailable sources, for effective assimilation and rapid replenishment of mineral salts lost due to heat, stress or daily activity. Enriched with Vitamin C and 7 B vitamins, it contributes to the reduction of tiredness, energy metabolism and the proper functioning of the nervous system. The pleasant orange flavor and the gluten-free and lactose-free formula make it suitable for the whole family, ideal in periods of fatigue, sweating or change of season.

Average Values	for 2 sticks	% NRV

Ingredients: potassium citrate, thickener: sorbitol; acidifier: citric acid; magnesium salts of citric acid, flavouring, vitamin C (L-ascorbic acid, coating agent: ethylcellulose), sweetener: sucralose; niacin (nicotinamide), colouring: beta-carotene; pantothenic acid (D-pantothenate, calcium), vitamin B6 (pyridoxine hydrochloride), vitamin B2 (riboflavin), vitamin B1 (thiamine hydrochloride), vitamin B12 (cyanocobalamin), folic acid (pteroylmonoglutamic acid).

PROBIOTICS

PROBIOTICS FOR THE INTESTINAL FLORA BALANCE

A comprehensive supplement formulated to restore and maintain the balance of intestinal flora, supporting digestion, regularity, and immune defenses. Its formula combines full-spectrum live probiotics and prebiotic inulin, a soluble fiber that promotes the growth of beneficial bacteria and enhances the supplement's effectiveness. Particularly useful after antibiotic therapy, dietary changes, travel, or periods of stress, it acts deeply on the intestinal ecosystem. The enteric-coated capsules ensure the live strains reach the intestine, where they can act in a targeted manner. Free from gluten, lactose, and GMOs, it is also ideal for daily use to support general well-being and intestinal health.

Average Values	per 2 cps	% NRV

Ingredients: Acid-resistant capsule shell (glazing agent: hydroxypropyl methylcellulose, pectin), Inulin, Lactobacillus reuteri, Lactobacillus plantarum, Saccharomyces boulardii, Lactobacillus rhamnosus, Bifidobacterium animalis ssp. Lactis, Lactobacillus acidophilus, anti-caking agent: silicon dioxide; Bifidobacterium longum.

IGESTION ENZYMES

DIGESTIVE ENZYMES

A complete supplement in capsules designed to promote intestinal regularity and improve digestion. Thanks to the patented DigeZyme® blend—a pool of broad-spectrum digestive enzymes—it supports the breakdown of carbohydrates, proteins, fats, and lactose, helping reduce bloating, fermentation, and feelings of heaviness. Enriched with natural clove extract, which helps calm the digestive system, it is ideal after large meals or for slow digestion. It is also suitable for those with lactose intolerance or following high-protein diets. The formula is gluten-, lactose-, and GMO-free, and suitable for vegans and vegetarians.

Average Values	per 3cpr	% NRV
DigeZyme [®]	150 mg	*
Cloves	150 mg	*

Ingredients: Bulking agent: cellulose, DigeZyme® (multi-enzyme complex: maltodextrin, alpha amylase, protease, cellulase, lactase, lipase), Clove (Syzygium aromaticum (L.) Merr. et LM Perry, flower bud) dry extract, anti-caking agents: magnesium salts of fatty acids, silicon dioxide.

XASTRONG

INTESTINAL TRANSIT SUPPORT

A natural supplement in capsules designed to promote intestinal transit and combat occasional constipation. Its balanced formula combines select plant extracts such as rhubarb, boldo, sea buckthorn, and marshmallow, known for their purifying, soothing, and intestinal motility-stimulating properties. It acts gently yet effectively, without irritation or addiction, helping restore regularity and lightness. Also ideal for periodic periods or during times of routine changes, stress, or a disordered diet. Gluten-, lactose-, and GMO-free, it is suitable for vegetarians and vegans, and has certified pharmaceutical quality.

Average Values	per 2 cps	% NRV
Marshmallow de.	100 mg	*
Seaweed d.e.	100 mg	*

Vahl., leaf) dry extract tit. 20% in sennosides, Rhubarb (Rheum palmatum L., root) dry extract tit. 1.1% in rhein, anti-caking agents: magnesium salts of fatty acids, silicon dioxide.

PURE HYDRO PROTEIN

HYDROLYZED PROTEINS - OPTIPEP 90® DH4 INSTANT

Supplement designed to provide essential nutritional support thanks to the high quality of Optipep® 90 DH4 Instant hydrolyzed whey proteins, from cows fed exclusively with grass (grass-fed) and quality flavors. Thanks to the hydrolysis process, these proteins are easily digestible and rapidly absorbed, helping to optimize muscle recovery and stimulate protein synthesis. The formula is enriched with Dygezime®, an enzyme complex that improves the digestion of proteins, carbohydrates and fats, promoting the assimilation of nutrients and reducing gastrointestinal disorders. Ideal for athletes, athletes and anyone who wants to improve physical performance, it supports muscle growth and post-workout recovery.

SPICES

MISCELA DI SPEZIE

Golden Spices & Red Mix Spices are a blend of spices designed to add a bold and aromatic touch to any dish, quickly and easily. Golden Spices features warm, oriental notes of curry, cumin, coriander and nigella, while Red Mix Spices delivers a more intense, smoky profile with paprika, chili pepper, onion and garlic. Both blends turn simple recipes into flavourful dishes, adding colour, depth and character with just a pinch. Perfect for meats, vegetables, legumes, rice, soups and one-pot meals, they're ideal for those who seek authentic taste without added sugars, additives or flavour enhancers. Only selected spices, naturally balanced and ready to use.

Red Mix Spices: Paprika, Salt, Chili Pepper, Garlic, Onion

Golden Spices: Curry (turmeric), Chili Pepper, Cumin, Coriander, Nigella, Fenugreek, Mustard, Salt, Turmeric, Garlic, Onion
